USPA NEWS - Mary Carman
Is something that I wanna achieve successfully in the near future. When I was a kid. I have no proper goals yet. I have many dreams that I want to try.
I was dreaming to become an architecture, fashion designer, dancer, performer, singer and actor.

Until I became a hairdresser, make up artist and a beauty queen in my home town. And during the time when I'm joining beauty pageants. I started to like taking pictures of myself.
Doing nice poses and making myself pretty in front of the camera.
That is when I started to dream and become a famous super model in the future.

I'm just happy seeing myself in the picture with nice make up on, dress/gowns and nice poses. There is always a butterfly effect feeling every time I'm in front of the camera. I just love doing modelling.
I'm still a beginner and really want to learn more until I become a professional one. I'm a fast learner and I know I have it in me so I believe that I can be one of the best someday. Also, I want to become a versatile model.

I want to try all types of modelling. And joining Miss Sexy UK will help me for sure to take one step towards my dream.
It's been 2 years now since the last time I join beauty pageants. And being a part of this spectacular event will fulfil my dream to be on a stage again.
